Subject: TASC Q/A for WLL CAG

Hi Dan,

Over the past 6 months, we have received email and verbal questions from various CAG and community members that we have not yet answered. The attached document paraphrases these questions and provides a TASC answer. As with our fact sheets, we are providing you with a courtesy copy for review in advance of giving the document to the CAG. We appreciate any comments that you have. Our goal is to make sure that we provide factual information about the site and don't inadvertently misrepresent any facts.

I would like to take this document to the CAG meeting on Monday, but realize that doesn't give you much time to review.

Thanks.

Terrie
